

Please be aware that class teachers and EYP'S are unable to discuss your child's progress or specific issues at morning drop off. This is due to the fact that it is very hectic on a morning and the teachers and EYP's need to ensure that the children are settled into class.

If you have a message, please give this to Mrs Mistry who is on the main door - this will then get passed to the relevant person.

If you would like to speak to your child's teacher please make an appointment after school.

Thanks for your understanding.
